Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Happy Hollow Road Project – Land acquisition is well underway for all the parcels. A request for “letting with exceptions” has been made to INDOT and FHWA (Federal Highway Administration) to go forward since the right-of-way parcels still pending are small in nature. A bid opening in early May is anticipated. Cost estimates have increased due to culvert replacement, drainage work and other modifications to the project.

- Cumberland Avenue Ph. III Project – Project design is about 90% complete. An open house meeting has been scheduled for February 19, 2014 to review the overall corridor, the study and final design recommendations for Cumberland Ave. between Salisbury Street and Soldiers Home Road. Construction and bidding schedules will also be discussed. Contact information will also be shared to keep up to date with project. Land acquisition is well underway with a July bid opening and construction to occur from August 2014 to October 2015.

- Salisbury Street Ph. III Project – Land Acquisition is nearing completion. Milestone is preparing submittals and schedule for a preconstruction meeting in mid-February. Construction is expected to begin in late March beginning with the waterline relocation. The project includes the area from Rainbow Dr. to U.S. 52 and includes raising the intersection at Navajo and Salisbury.

- Navajo St., Ph. I Project – Survey and design work has begun. The project includes the repair of portions of Navajo Street as well as the repair of sidewalks, curbs, driveways from Salisbury Street to Indian Trail. New sidewalk installation in missing sidewalk gaps for connectivity to ensure ADA access is included.

- Mid-Block Crossings Project – Final tracings are complete. A March letting is scheduled. Construction is scheduled from May to August 2014. A supplement to finish design work and complete inspection for the project is on today's agenda.

- Northwestern Ave. Ph. III – Contract is on today's agenda.

- Perimeter Parkway Ph. 1A Pt. 2 – Study on an alignment change is wrapping up. Meeting with Purdue and PRF one last time before meeting with the Area Plan Commission to begin the formal process to adopt the revised alignment. Design work will resume once that process has been completed.

- Cattail Trail Extension – Stage 3 plans have been completed and submitted. The extension covers the trail from Yeager Rd and the Northwestern roundabout to the west side of the 52 intersection at Cumberland Avenue. A May letting schedule is planned with construction from July to October. Lighting along the trail is being researched.

Parks Superintendent Joe Payne updated the Commission on the following projects:

- Cattail Trail Extension Project – INDOT has requested additional geotechnical analysis for some of the short block wall of the ramp bridge portion of the trail.

- Happy Hollow Park Ravine Footpath Repair – Some additional work was completed this past month before the project was shut down due to weather.

Development Director Chandler Poole updated the Commission on the following Projects:

- State Street Master Plan – The process is continuing. Meetings have been held with MKSK to discuss various themes that have emerged. The next public sessions are scheduled for February 13, 2014 from 11:30 – 1:30 at the Stewart Center on the Purdue campus and 5:30 until closing at the West Lafayette Public Library. Ideas or thoughts regarding the plan can still be posted on the State Street Master Plan Facebook page.

- Fire Station No. 3 – The one year inspection has been completed. Issues that need to be addressed or corrected should be completed by the end of February. All items are covered by warranty.
